WORK EXPERIENCE

Front-End Developer CYA.LIVE

05/2019 – Present

Toronto

CYA.LIVE creates a unique content experience by combining live or pre-recorded content with live hosting and moderation, and audience participation.

Achievements/Tasks

- Tested front-end code in multiple browsers to ensure cross-browser compatibility.
- Maintained brand standards under company guidelines.
- Consulted and documented UI best practices and code standards.
- Leveraged responsive web frameworks to consistently complete product deliverables ahead of schedule.
- Created and maintained the front-end standards document and oversaw production of Javascript, HTML, and CSS.
- Workflow tools included: HTML, CSS, Bootstrap, Javascript, Vue, and Git.
- Designed and updated layouts to meet usability and performance requirements.

Community Assistant Parkside Student Residence

08/2018 – 05/2019

Toronto

Achievements/Tasks

- Worked as a Community Assistant and was the primary facilitator in providing our prospective residents and parents, and our current residents and parents with a dynamic and enhanced leasing and living experience. This position heavily emphasizes excellent customer service and a dedication to Canadian Campus basic operating standards and procedures. The core of Canadian Campus culture involves everyone being fully invested in everything that we do down to picking up the smallest piece of trash. No matter their position or duration at any given property, everyone picks up trash. Certain activities involved in this position may be photographed and/or video and audio recorded for quality control and/or training purposes. Managed quality assurance program including on site evaluations, internal audits and customer surveys.
