WORK EXPERIENCE

Front-End Developer
CYA.LIVE

05/2019 - 08/2019   *Toronto*

CYA.LIVE creates a unique content experience by combining live or pre-recorded content with live hosting and moderation, and audience participation.

Achievements/Tasks

- Tested front-end code in multiple browsers to ensure cross-browser compatibility.
- Maintained brand standards under company guidelines.
- Consulted and documented UI best practices and code standards.
- Leveraged responsive web frameworks to consistently complete product deliverables ahead of schedule.
- Created and maintained the front-end standards document and oversaw production of Javascript, HTML, and CSS.
- Workflow tools included: HTML, CSS, Bootstrap, Javascript, Vue, and Git.
- Designed and updated layouts to meet usability and performance requirements.

Community Assistant
Parkside Student Residence

08/2018 - 05/2019   *Toronto*

Achievements/Tasks

- - Been the primary facilitator in providing our prospective residents and parents, and our current residents and parents with a dynamic and enhanced leasing and living experience.
- Ensured our residents have the best possible experience at our communities .
- Assisted in marketing campaigns, leasing efforts, residence life programs and communicating with parents.
- Emphasized excellent customer service and a dedication to Canadian Campus basic operating standards and procedures.
- Maintained open communication with tenants to proactively handle questions and complaints.
- Coordinated special meetings and events to inform and engage tenants, resulting in improved relations and housing satisfaction.
- Prepared and processed paperwork for new residents, including applications, initial payments and security documentation.
- Led tours to highlight property features to prospective tenants and answer questions.
- Responded promptly and effectively to out-of-hours emergencies such as maintenance needs and criminal incidents.
- Received "Employee of the month" on my first month at my position.
